## 2019-2020 Season Update to All UBA Members

### Battle Bowl and Season Tour

The Executive Board of Underground Bowling Association has made the difficult decision to cancel our remaining planned schedule through the year 2020. This announcement includes Battle Bowl 2020 and any other proposed Season Tour schedule through December 31<sup>st</sup> 2020. Because of the continued uncertainty surrounding the current pandemic. We have decided that it would be in the best interest of our organization as a whole to cancel the remaining schedule and plan for our future as restrictions change. Restrictions in each part of the country are changing daily, and we will continue to monitor all those changes to revise our schedule as needed. Our current plan is to restart our Season Tour 2020-2021 after the start of the New Year. The Administrative Team is currently working on finalizing our Districts so that we can put Staff in place and set schedules. More updates will follow when the information is finalized.

### Events

Any event that we currently had planned to host will be put on hold. As was stated above, restrictions are changing daily, state by state. If we are able to put together events that would allow our membership to participate without severe restrictions in place, or mandatory quarantines affecting a large portion of our members, we will re-evaluate our options at that time. Any events that we would schedule, could be last minute, and consequently could also be cancelled last minute. We will continue to make the best decisions for the overall membership.

Just an item of note. All re-rates that are currently under review will not be acted upon. The Executive Staff will be working on updating rules for the 2020-2021 season. Once those updates have been completed, the rules will be released. Any new requests will be accepted for review at that time.

The Executive Team would like to wish every member a happy and healthy end to the 2020 year. We have taken all of these decisions seriously and are disheartened that we are unable to provide our membership with any break from what seems to be an unwelcomed normal. We will update everyone as soon as any new decisions are made.
