FUR FREE EUROPE ECI

- EU imports from third countries

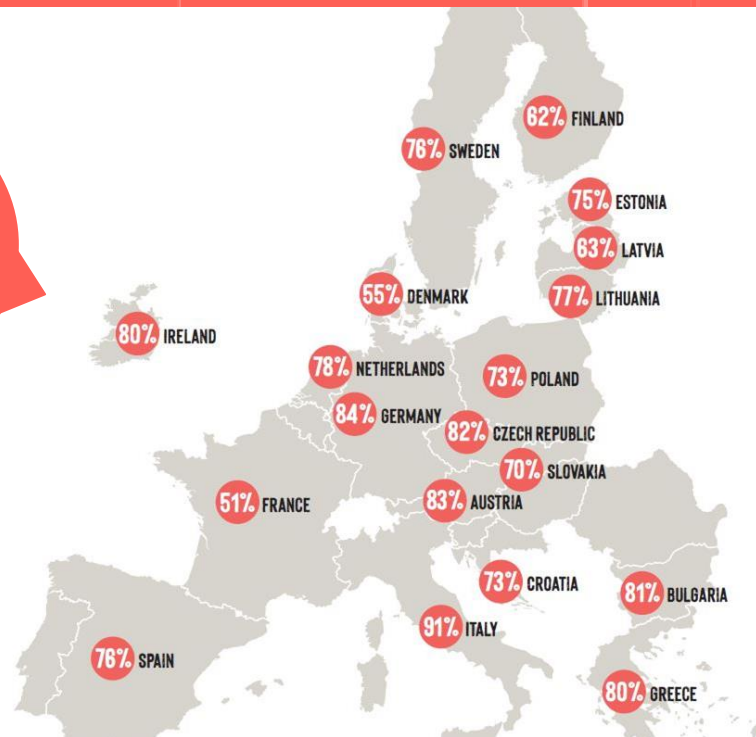

Subject to the requirement that such measures are not applied in a manner which would constitute a means of arbitrary or unjustifiable discrimination between countries where the same conditions prevail, or a disguised restriction on international trade, nothing in this agreement shall be construed to prevent the adoption or enforcement by any contracting party of measures:

- a. Necessary to protect public morals;
- b. Necessary to protect human health, animal or plant life or health.

GATT, Article XX (General Exceptions)

FUR FREE EUROPE ECI

There is a serious contradiction in rejecting the production but still accepting the trade of a product if it is produced elsewhere.

SOLUTION: Ban on placing farmed fur products on the European market
